Definitions

"Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

• "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

• "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

• "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

• "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

• "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

• "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. • "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

• "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

• "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

• "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

• "First Available Exam Date" is the date for the first available exam after a student completed a program.

• "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

• "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

• "Salary" is as reported by graduate or graduate's employer.

• "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

CANCELLATION & REFUND POLICY

The student has the right to cancel this enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.
The notice of cancellation shall be in writing and submitted directly to the following address:

AMFASOFT CORPORATION
3155 Kearney Street, suite 140 Fremont, CA 94538

REFUND POLICY INFORMATION

The institution provides a pro rata refund of ALL funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. There will be no refund once a student completes 60 percent of the enrollment period in the entire course.

Registration Fees is a non-refundable item. Books, supplies and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student. If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee and other fees. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Student receiving grants from government agencies: WIA

If the student has received grants for the above agencies the student must contact their respective counselor or case manager for refund details. However, in case of a refund, calculated funds will be transferred back to respective government agency.

Distance learning enrollment agreement:

Amfasoft Corporation offers distance education programs.

An institution offering a distance education program where instruction is not offered in real time shall transmit the first lesson and any materials to any student within seven days after the institution accepts the student for admission.

Right to Cancel: CCR 71716 (a), (b), (c)

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of the materials.

1. An institution shall transmit all of the lessons and other materials to the student if the students:

a. has fully paid for the educational program; and

b. after having received the first lessons and initial materials, request in writing that all the material be sent.

2. If an institution transmits the balance of the material as the student requests, the institution shall remain obligated to provide the other educational services it agreed to provide, such as responses to student inquires, students and faculty interaction, and comment on lessons submitted by the student, but shall not be obligated to pay any refund after all of the lessons and material are transmitted.

Definitions

"Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

• "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

• "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

• "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

• "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

• "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

• "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. • "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

• "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

• "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

• "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

• "First Available Exam Date" is the date for the first available exam after a student completed a program.

• "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

• "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

• "Salary" is as reported by graduate or graduate's employer.

• "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information

STUDENT'S RIGHT TO CANCEL

CANCELLATION & REFUND POLICY

The student has the right to cancel this enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.
The notice of cancellation shall be in writing and submitted directly to the following address:

AMFASOFT CORPORATION
3155 Kearney Street, suite 140 Fremont, CA 94538

REFUND POLICY INFORMATION

The institution provides a pro rata refund of ALL funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. There will be no refund once a student completes 60 percent of the enrollment period in the entire course.

Registration Fees is a non-refundable item. Books, supplies and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student. If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee and other fees. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Student receiving grants from government agencies: WIA

If the student has received grants for the above agencies the student must contact their respective counselor or case manager for refund details. However, in case of a refund, calculated funds will be transferred back to respective government agency.

Distance learning enrollment agreement:

Amfasoft Corporation offers distance education programs.

An institution offering a distance education program where instruction is not offered in real time shall transmit the first lesson and any materials to any student within seven days after the institution accepts the student for admission.

3155 Kearney Street, suite 140, Fremont, CA 94538| 510-770-6748 | www.amfasoft.com

Right to Cancel: CCR 71716 (a), (b), (c)

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of the materials.

1. An institution shall transmit all of the lessons and other materials to the student if the students:

a. has fully paid for the educational program; and

b. after having received the first lessons and initial materials, request in writing that all the material be sent.

2. If an institution transmits the balance of the material as the student requests, the institution shall remain obligated to provide the other educational services it agreed to provide, such as responses to student inquires, students and faculty interaction, and comment on lessons submitted by the student, but shall not be obligated to pay any refund after all of the lessons and material are transmitted.

• "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. • "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

• "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

• "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

• "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

• "First Available Exam Date" is the date for the first available exam after a student completed a program.

• "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

• "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

• "Salary" is as reported by graduate or graduate's employer.

• "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information

STUDENT'S RIGHT TO CANCEL

CANCELLATION & REFUND POLICY

The student has the right to cancel this enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.
The notice of cancellation shall be in writing and submitted directly to the following address:

AMFASOFT CORPORATION
3155 Kearney Street, suite 140 Fremont, CA 94538

REFUND POLICY INFORMATION

The institution provides a pro rata refund of ALL funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. There will be no refund once a student completes 60 percent of the enrollment period in the entire course.

Registration Fees is a non-refundable item. Books, supplies and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student. If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee and other fees. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Student receiving grants from government agencies: WIA

If the student has received grants for the above agencies the student must contact their respective counselor or case manager for refund details. However, in case of a refund, calculated funds will be transferred back to respective government agency.

Distance learning enrollment agreement:

Amfasoft Corporation offers distance education programs.

An institution offering a distance education program where instruction is not offered in real time shall transmit the first lesson and any materials to any student within seven days after the institution accepts the student for admission.

Definitions

"Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

• "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

• "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

• "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

• "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

• "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

• "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. • "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

• "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

• "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

• "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

• "First Available Exam Date" is the date for the first available exam after a student completed a program.

• "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

• "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

• "Salary" is as reported by graduate or graduate's employer.

• "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information

STUDENT'S RIGHT TO CANCEL

CANCELLATION & REFUND POLICY

The student has the right to cancel this enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.
The notice of cancellation shall be in writing and submitted directly to the following address:

AMFASOFT CORPORATION
3155 Kearney Street, suite 140 Fremont, CA 94538

REFUND POLICY INFORMATION

The institution provides a pro rata refund of ALL funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. There will be no refund once a student completes 60 percent of the enrollment period in the entire course.

Registration Fees is a non-refundable item. Books, supplies and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student. If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee and other fees. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Student receiving grants from government agencies: WIA

If the student has received grants for the above agencies the student must contact their respective counselor or case manager for refund details. However, in case of a refund, calculated funds will be transferred back to respective government agency.

Distance learning enrollment agreement:

Amfasoft Corporation offers distance education programs.

An institution offering a distance education program where instruction is not offered in real time shall transmit the first lesson and any materials to any student within seven days after the institution accepts the student for admission.

Right to Cancel: CCR 71716 (a), (b), (c)

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of the materials.

1. An institution shall transmit all of the lessons and other materials to the student if the students:

a. has fully paid for the educational program; and

b. after having received the first lessons and initial materials, request in writing that all the material be sent.

2. If an institution transmits the balance of the material as the student requests, the institution shall remain obligated to provide the other educational services it agreed to provide, such as responses to student inquires, students and faculty interaction, and comment on lessons submitted by the student, but shall not be obligated to pay any refund after all of the lessons and material are transmitted.

"Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

• "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

• "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

• "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

• "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

• "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

• "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. • "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

• "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

• "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

• "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

• "First Available Exam Date" is the date for the first available exam after a student completed a program.

• "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

• "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

• "Salary" is as reported by graduate or graduate's employer.

• "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information

STUDENT'S RIGHT TO CANCEL

CANCELLATION & REFUND POLICY

The student has the right to cancel this enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.
The notice of cancellation shall be in writing and submitted directly to the following address:

AMFASOFT CORPORATION
3155 Kearney Street, suite 140 Fremont, CA 94538

REFUND POLICY INFORMATION

The institution provides a pro rata refund of ALL funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. There will be no refund once a student completes 60 percent of the enrollment period in the entire course.

Registration Fees is a non-refundable item. Books, supplies and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student. If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee and other fees. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Student receiving grants from government agencies: WIA

If the student has received grants for the above agencies the student must contact their respective counselor or case manager for refund details. However, in case of a refund, calculated funds will be transferred back to respective government agency.

Distance learning enrollment agreement:

Amfasoft Corporation offers distance education programs.

An institution offering a distance education program where instruction is not offered in real time shall transmit the first lesson and any materials to any student within seven days after the institution accepts the student for admission.

Right to Cancel: CCR 71716 (a), (b), (c)

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of the materials.

1. An institution shall transmit all of the lessons and other materials to the student if the students:

a. has fully paid for the educational program; and

b. after having received the first lessons and initial materials, request in writing that all the material be sent.

2. If an institution transmits the balance of the material as the student requests, the institution shall remain obligated to provide the other educational services it agreed to provide, such as responses to student inquires, students and faculty interaction, and comment on lessons submitted by the student, but shall not be obligated to pay any refund after all of the lessons and material are transmitted.

STUDENT'S RIGHT TO CANCEL

CANCELLATION & REFUND POLICY

The student has the right to cancel this enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.
The notice of cancellation shall be in writing and submitted directly to the following address:

AMFASOFT CORPORATION
3155 Kearney Street, suite 140 Fremont, CA 94538

REFUND POLICY INFORMATION

The institution provides a pro rata refund of ALL funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. There will be no refund once a student completes 60 percent of the enrollment period in the entire course.

Registration Fees is a non-refundable item. Books, supplies and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student. If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee and other fees. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Student receiving grants from government agencies: WIA

If the student has received grants for the above agencies the student must contact their respective counselor or case manager for refund details. However, in case of a refund, calculated funds will be transferred back to respective government agency.

• "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. • "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

• "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

• "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

• "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

• "First Available Exam Date" is the date for the first available exam after a student completed a program.

• "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

• "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

• "Salary" is as reported by graduate or graduate's employer.

• "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information

STUDENT'S RIGHT TO CANCEL

CANCELLATION & REFUND POLICY

The student has the right to cancel this enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.
The notice of cancellation shall be in writing and submitted directly to the following address:

AMFASOFT CORPORATION
3155 Kearney Street, suite 140 Fremont, CA 94538

REFUND POLICY INFORMATION

The institution provides a pro rata refund of ALL funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. There will be no refund once a student completes 60 percent of the enrollment period in the entire course.

Registration Fees is a non-refundable item. Books, supplies and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student. If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee and other fees. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Student receiving grants from government agencies: WIA

If the student has received grants for the above agencies the student must contact their respective counselor or case manager for refund details. However, in case of a refund, calculated funds will be transferred back to respective government agency.

Distance learning enrollment agreement:

Amfasoft Corporation offers distance education programs.

An institution offering a distance education program where instruction is not offered in real time shall transmit the first lesson

and any materials to any student within seven days after the institution accepts the student for admission.

Right to Cancel: CCR 71716 (a), (b), (c)

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of the materials.

1. An institution shall transmit all of the lessons and other materials to the student if the students:

a. has fully paid for the educational program; and

b. after having received the first lessons and initial materials, request in writing that all the material be sent.

2. If an institution transmits the balance of the material as the student requests, the institution shall remain obligated to provide the other educational services it agreed to provide, such as responses to student inquires, students and faculty interaction, and comment on lessons submitted by the student, but shall not be obligated to pay any refund after all of the lessons and material are transmitted.

Definitions

"Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

• "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

• "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

• "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

• "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

• "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

• "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. • "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

• "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

• "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

• "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

• "First Available Exam Date" is the date for the first available exam after a student completed a program.

• "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

• "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

• "Salary" is as reported by graduate or graduate's employer.

• "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information

STUDENT'S RIGHT TO CANCEL

CANCELLATION & REFUND POLICY

The student has the right to cancel this enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.
The notice of cancellation shall be in writing and submitted directly to the following address:

AMFASOFT CORPORATION
3155 Kearney Street, suite 140 Fremont, CA 94538

REFUND POLICY INFORMATION

The institution provides a pro rata refund of ALL funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. There will be no refund once a student completes 60 percent of the enrollment period in the entire course.

Registration Fees is a non-refundable item. Books, supplies and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student. If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee and other fees. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Student receiving grants from government agencies: WIA

If the student has received grants for the above agencies the student must contact their respective counselor or case manager for refund details. However, in case of a refund, calculated funds will be transferred back to respective government agency.

Distance learning enrollment agreement:

Amfasoft Corporation offers distance education programs.

An institution offering a distance education program where instruction is not offered in real time shall transmit the first lesson and any materials to any student within seven days after the institution accepts the student for admission.

Right to Cancel: CCR 71716 (a), (b), (c)

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of the materials.

1. An institution shall transmit all of the lessons and other materials to the student if the students:

a. has fully paid for the educational program; and

b. after having received the first lessons and initial materials, request in writing that all the material be sent.

2. If an institution transmits the balance of the material as the student requests, the institution shall remain obligated to provide the other educational services it agreed to provide, such as responses to student inquires, students and faculty interaction, and comment on lessons submitted by the student, but shall not be obligated to pay any refund after all of the lessons and material are transmitted.

Definitions

"Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

• "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

• "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

• "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

• "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

• "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

• "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. • "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

• "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

• "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

• "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

• "First Available Exam Date" is the date for the first available exam after a student completed a program.

• "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

• "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

• "Salary" is as reported by graduate or graduate's employer.

• "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information

STUDENT'S RIGHT TO CANCEL

CANCELLATION & REFUND POLICY

The student has the right to cancel this enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.
The notice of cancellation shall be in writing and submitted directly to the following address:

AMFASOFT CORPORATION
3155 Kearney Street, suite 140 Fremont, CA 94538

REFUND POLICY INFORMATION

The institution provides a pro rata refund of ALL funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. There will be no refund once a student completes 60 percent of the enrollment period in the entire course.

Registration Fees is a non-refundable item. Books, supplies and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student. If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee and other fees. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Student receiving grants from government agencies: WIA

If the student has received grants for the above agencies the student must contact their respective counselor or case manager for refund details. However, in case of a refund, calculated funds will be transferred back to respective government agency.

Distance learning enrollment agreement:

Amfasoft Corporation offers distance education programs.

An institution offering a distance education program where instruction is not offered in real time shall transmit the first lesson and any materials to any student within seven days after the institution accepts the student for admission.

3155 Kearney Street, suite 140, Fremont, CA 94538| 510-770-6748 | www.amfasoft.com

Right to Cancel: CCR 71716 (a), (b), (c)

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of the materials.

1. An institution shall transmit all of the lessons and other materials to the student if the students:

a. has fully paid for the educational program; and

b. after having received the first lessons and initial materials, request in writing that all the material be sent.

2. If an institution transmits the balance of the material as the student requests, the institution shall remain obligated to provide the other educational services it agreed to provide, such as responses to student inquires, students and faculty interaction, and comment on lessons submitted by the student, but shall not be obligated to pay any refund after all of the lessons and material are transmitted.

Definitions

"Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

• "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

• "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

• "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

• "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

• "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

• "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. • "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

• "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

• "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

• "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

• "First Available Exam Date" is the date for the first available exam after a student completed a program.

• "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

• "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

• "Salary" is as reported by graduate or graduate's employer.

• "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information

STUDENT'S RIGHT TO CANCEL

CANCELLATION & REFUND POLICY

The student has the right to cancel this enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.
The notice of cancellation shall be in writing and submitted directly to the following address:

AMFASOFT CORPORATION
3155 Kearney Street, suite 140 Fremont, CA 94538

REFUND POLICY INFORMATION

The institution provides a pro rata refund of ALL funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. There will be no refund once a student completes 60 percent of the enrollment period in the entire course.

Registration Fees is a non-refundable item. Books, supplies and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student. If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee and other fees. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Student receiving grants from government agencies: WIA

If the student has received grants for the above agencies the student must contact their respective counselor or case manager for refund details. However, in case of a refund, calculated funds will be transferred back to respective government agency.

Distance learning enrollment agreement:

Amfasoft Corporation offers distance education programs.

An institution offering a distance education program where instruction is not offered in real time shall transmit the first lesson and any materials to any student within seven days after the institution accepts the student for admission.

Right to Cancel: CCR 71716 (a), (b), (c)

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of the materials.

1. An institution shall transmit all of the lessons and other materials to the student if the students:

a. has fully paid for the educational program; and

b. after having received the first lessons and initial materials, request in writing that all the material be sent.

2. If an institution transmits the balance of the material as the student requests, the institution shall remain obligated to provide the other educational services it agreed to provide, such as responses to student inquires, students and faculty interaction, and comment on lessons submitted by the student, but shall not be obligated to pay any refund after all of the lessons and material are transmitted.

Right to Cancel: CCR 71716 (a), (b), (c)

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of the materials.

1. An institution shall transmit all of the lessons and other materials to the student if the students:

a. has fully paid for the educational program; and

b. after having received the first lessons and initial materials, request in writing that all the material be sent.

2. If an institution transmits the balance of the material as the student requests, the institution shall remain obligated to provide the other educational services it agreed to provide, such as responses to student inquires, students and faculty interaction, and comment on lessons submitted by the student, but shall not be obligated to pay any refund after all of the lessons and material are transmitted.

"Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

• "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

• "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

• "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

• "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

• "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

• "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. • "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

• "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

• "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

• "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

Definitions

"Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

• "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

• "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

• "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

• "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

• "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

• "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. • "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

• "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

• "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

• "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

• "First Available Exam Date" is the date for the first available exam after a student completed a program.

• "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

• "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

• "Salary" is as reported by graduate or graduate's employer.

• "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information

STUDENT'S RIGHT TO CANCEL

CANCELLATION & REFUND POLICY

The student has the right to cancel this enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.
The notice of cancellation shall be in writing and submitted directly to the following address:

AMFASOFT CORPORATION
3155 Kearney Street, suite 140 Fremont, CA 94538

REFUND POLICY INFORMATION

The institution provides a pro rata refund of ALL funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. There will be no refund once a student completes 60 percent of the enrollment period in the entire course.

Registration Fees is a non-refundable item. Books, supplies and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student. If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee and other fees. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Student receiving grants from government agencies: WIA

If the student has received grants for the above agencies the student must contact their respective counselor or case manager for refund details. However, in case of a refund, calculated funds will be transferred back to respective government agency.

Distance learning enrollment agreement:

Amfasoft Corporation offers distance education programs.

An institution offering a distance education program where instruction is not offered in real time shall transmit the first lesson and any materials to any student within seven days after the institution accepts the student for admission.

3155 Kearney Street, suite 140, Fremont, CA 94538| 510-770-6748 | www.amfasoft.com

Right to Cancel: CCR 71716 (a), (b), (c)

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of the materials.

1. An institution shall transmit all of the lessons and other materials to the student if the students:

a. has fully paid for the educational program; and

b. after having received the first lessons and initial materials, request in writing that all the material be sent.

2. If an institution transmits the balance of the material as the student requests, the institution shall remain obligated to provide the other educational services it agreed to provide, such as responses to student inquires, students and faculty interaction, and comment on lessons submitted by the student, but shall not be obligated to pay any refund after all of the lessons and material are transmitted.

Definitions

"Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

• "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

• "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

• "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

• "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

• "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

• "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. • "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

• "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

• "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

• "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

• "First Available Exam Date" is the date for the first available exam after a student completed a program.

• "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

• "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

• "Salary" is as reported by graduate or graduate's employer.

• "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information

CANCELLATION & REFUND POLICY

The student has the right to cancel this enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.
The notice of cancellation shall be in writing and submitted directly to the following address:

AMFASOFT CORPORATION
3155 Kearney Street, suite 140 Fremont, CA 94538

REFUND POLICY INFORMATION

The institution provides a pro rata refund of ALL funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. There will be no refund once a student completes 60 percent of the enrollment period in the entire course.

Registration Fees is a non-refundable item. Books, supplies and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student. If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee and other fees. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Student receiving grants from government agencies: WIA

If the student has received grants for the above agencies the student must contact their respective counselor or case manager for refund details. However, in case of a refund, calculated funds will be transferred back to respective government agency.

Distance learning enrollment agreement:

Amfasoft Corporation offers distance education programs.

An institution offering a distance education program where instruction is not offered in real time shall transmit the first lesson and any materials to any student within seven days after the institution accepts the student for admission.

Right to Cancel: CCR 71716 (a), (b), (c)

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of the materials.

1. An institution shall transmit all of the lessons and other materials to the student if the students:

a. has fully paid for the educational program; and

b. after having received the first lessons and initial materials, request in writing that all the material be sent.

2. If an institution transmits the balance of the material as the student requests, the institution shall remain obligated to provide the other educational services it agreed to provide, such as responses to student inquires, students and faculty interaction, and comment on lessons submitted by the student, but shall not be obligated to pay any refund after all of the lessons and material are transmitted.

• "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

• "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. • "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

• "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

• "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

• "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

• "First Available Exam Date" is the date for the first available exam after a student completed a program.

• "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

• "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

• "Salary" is as reported by graduate or graduate's employer.

• "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information

STUDENT'S RIGHT TO CANCEL

CANCELLATION & REFUND POLICY

The student has the right to cancel this enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.
The notice of cancellation shall be in writing and submitted directly to the following address:

AMFASOFT CORPORATION
3155 Kearney Street, suite 140 Fremont, CA 94538

REFUND POLICY INFORMATION

The institution provides a pro rata refund of ALL funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. There will be no refund once a student completes 60 percent of the enrollment period in the entire course.

Registration Fees is a non-refundable item. Books, supplies and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student. If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee and other fees. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Student receiving grants from government agencies: WIA

If the student has received grants for the above agencies the student must contact their respective counselor or case manager for refund details. However, in case of a refund, calculated funds will be transferred back to respective government agency.

Distance learning enrollment agreement:

Amfasoft Corporation offers distance education programs.

An institution offering a distance education program where instruction is not offered in real time shall transmit the first lesson and any materials to any student within seven days after the institution accepts the student for admission.

3155 Kearney Street, suite 140, Fremont, CA 94538| 510-770-6748 | www.amfasoft.com

Right to Cancel: CCR 71716 (a), (b), (c)

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of the materials.

1. An institution shall transmit all of the lessons and other materials to the student if the students:

a. has fully paid for the educational program; and

b. after having received the first lessons and initial materials, request in writing that all the material be sent.

2. If an institution transmits the balance of the material as the student requests, the institution shall remain obligated to provide the other educational services it agreed to provide, such as responses to student inquires, students and faculty interaction, and comment on lessons submitted by the student, but shall not be obligated to pay any refund after all of the lessons and material are transmitted.

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of the materials.

1. An institution shall transmit all of the lessons and other materials to the student if the students:

a. has fully paid for the educational program; and

b. after having received the first lessons and initial materials, request in writing that all the material be sent.

2. If an institution transmits the balance of the material as the student requests, the institution shall remain obligated to provide the other educational services it agreed to provide, such as responses to student inquires, students and faculty interaction, and comment on lessons submitted by the student, but shall not be obligated to pay any refund after all of the lessons and material are transmitted.

Definitions

"Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

• "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

• "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

• "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

• "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

• "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

• "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. • "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

• "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

• "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

• "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

• "First Available Exam Date" is the date for the first available exam after a student completed a program.

• "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

• "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

• "Salary" is as reported by graduate or graduate's employer.

• "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information

STUDENT'S RIGHT TO CANCEL

CANCELLATION & REFUND POLICY

The student has the right to cancel this enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.
The notice of cancellation shall be in writing and submitted directly to the following address:

AMFASOFT CORPORATION
3155 Kearney Street, suite 140 Fremont, CA 94538

REFUND POLICY INFORMATION

The institution provides a pro rata refund of ALL funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. There will be no refund once a student completes 60 percent of the enrollment period in the entire course.

Registration Fees is a non-refundable item. Books, supplies and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student. If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee and other fees. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Student receiving grants from government agencies: WIA

If the student has received grants for the above agencies the student must contact their respective counselor or case manager for refund details. However, in case of a refund, calculated funds will be transferred back to respective government agency.

Distance learning enrollment agreement:

Amfasoft Corporation offers distance education programs.

An institution offering a distance education program where instruction is not offered in real time shall transmit the first lesson and any materials to any student within seven days after the institution accepts the student for admission.

Right to Cancel: CCR 71716 (a), (b), (c)

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of the materials.

1. An institution shall transmit all of the lessons and other materials to the student if the students:

a. has fully paid for the educational program; and

b. after having received the first lessons and initial materials, request in writing that all the material be sent.

2. If an institution transmits the balance of the material as the student requests, the institution shall remain obligated to provide the other educational services it agreed to provide, such as responses to student inquires, students and faculty interaction, and comment on lessons submitted by the student, but shall not be obligated to pay any refund after all of the lessons and material are transmitted.

Definitions

"Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

• "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

• "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

• "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

• "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

• "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

• "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. • "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

• "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

• "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

• "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

• "First Available Exam Date" is the date for the first available exam after a student completed a program.

• "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

• "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

• "Salary" is as reported by graduate or graduate's employer.

• "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information

STUDENT'S RIGHT TO CANCEL

CANCELLATION & REFUND POLICY

The student has the right to cancel this enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.
The notice of cancellation shall be in writing and submitted directly to the following address:

AMFASOFT CORPORATION
3155 Kearney Street, suite 140 Fremont, CA 94538

REFUND POLICY INFORMATION

The institution provides a pro rata refund of ALL funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. There will be no refund once a student completes 60 percent of the enrollment period in the entire course.

Registration Fees is a non-refundable item. Books, supplies and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student. If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee and other fees. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Student receiving grants from government agencies: WIA

If the student has received grants for the above agencies the student must contact their respective counselor or case manager for refund details. However, in case of a refund, calculated funds will be transferred back to respective government agency.

Distance learning enrollment agreement:

Amfasoft Corporation offers distance education programs.

An institution offering a distance education program where instruction is not offered in real time shall transmit the first lesson and any materials to any student within seven days after the institution accepts the student for admission.

3155 Kearney Street, suite 140, Fremont, CA 94538| 510-770-6748 | www.amfasoft.com

Right to Cancel: CCR 71716 (a), (b), (c)

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of the materials.

1. An institution shall transmit all of the lessons and other materials to the student if the students:

a. has fully paid for the educational program; and

b. after having received the first lessons and initial materials, request in writing that all the material be sent.

2. If an institution transmits the balance of the material as the student requests, the institution shall remain obligated to provide the other educational services it agreed to provide, such as responses to student inquires, students and faculty interaction, and comment on lessons submitted by the student, but shall not be obligated to pay any refund after all of the lessons and material are transmitted.

Definitions

"Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

• "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

• "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

• "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

• "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

• "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

• "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. • "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

• "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

• "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

• "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

• "First Available Exam Date" is the date for the first available exam after a student completed a program.

• "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

• "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

• "Salary" is as reported by graduate or graduate's employer.

• "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information

STUDENT'S RIGHT TO CANCEL

CANCELLATION & REFUND POLICY

The student has the right to cancel this enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.
The notice of cancellation shall be in writing and submitted directly to the following address:

AMFASOFT CORPORATION
3155 Kearney Street, suite 140 Fremont, CA 94538

REFUND POLICY INFORMATION

The institution provides a pro rata refund of ALL funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. There will be no refund once a student completes 60 percent of the enrollment period in the entire course.

Registration Fees is a non-refundable item. Books, supplies and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student. If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee and other fees. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Student receiving grants from government agencies: WIA

If the student has received grants for the above agencies the student must contact their respective counselor or case manager for refund details. However, in case of a refund, calculated funds will be transferred back to respective government agency.

Distance learning enrollment agreement:

Amfasoft Corporation offers distance education programs.

An institution offering a distance education program where instruction is not offered in real time shall transmit the first lesson and any materials to any student within seven days after the institution accepts the student for admission.

Right to Cancel: CCR 71716 (a), (b), (c)

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of the materials.

1. An institution shall transmit all of the lessons and other materials to the student if the students:

a. has fully paid for the educational program; and

b. after having received the first lessons and initial materials, request in writing that all the material be sent.

2. If an institution transmits the balance of the material as the student requests, the institution shall remain obligated to provide the other educational services it agreed to provide, such as responses to student inquires, students and faculty interaction, and comment on lessons submitted by the student, but shall not be obligated to pay any refund after all of the lessons and material are transmitted.

An institution offering a distance education program where instruction is not offered in real time shall transmit the first lesson and any materials to any student within seven days after the institution accepts the student for admission.

3155 Kearney Street, suite 140, Fremont, CA 94538| 510-770-6748 | www.amfasoft.com

Right to Cancel: CCR 71716 (a), (b), (c)

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of the materials.

1. An institution shall transmit all of the lessons and other materials to the student if the students:

a. has fully paid for the educational program; and

b. after having received the first lessons and initial materials, request in writing that all the material be sent.

2. If an institution transmits the balance of the material as the student requests, the institution shall remain obligated to provide the other educational services it agreed to provide, such as responses to student inquires, students and faculty interaction, and comment on lessons submitted by the student, but shall not be obligated to pay any refund after all of the lessons and material are transmitted.

Definitions

"Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

• "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

• "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

• "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

• "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

• "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

• "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. • "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

• "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

• "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

• "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

• "First Available Exam Date" is the date for the first available exam after a student completed a program.

• "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

• "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

• "Salary" is as reported by graduate or graduate's employer.

• "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information

STUDENT'S RIGHT TO CANCEL

CANCELLATION & REFUND POLICY

The student has the right to cancel this enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.
The notice of cancellation shall be in writing and submitted directly to the following address:

AMFASOFT CORPORATION
3155 Kearney Street, suite 140 Fremont, CA 94538

REFUND POLICY INFORMATION

The institution provides a pro rata refund of ALL funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. There will be no refund once a student completes 60 percent of the enrollment period in the entire course.

Registration Fees is a non-refundable item. Books, supplies and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student. If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee and other fees. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Student receiving grants from government agencies: WIA

If the student has received grants for the above agencies the student must contact their respective counselor or case manager for refund details. However, in case of a refund, calculated funds will be transferred back to respective government agency.

Definitions

"Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

• "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

• "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

• "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

• "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

• "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

• "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. • "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

• "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

• "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

• "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

• "First Available Exam Date" is the date for the first available exam after a student completed a program.

• "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

• "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

• "Salary" is as reported by graduate or graduate's employer.

• "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information

STUDENT'S RIGHT TO CANCEL

CANCELLATION & REFUND POLICY

The student has the right to cancel this enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.
The notice of cancellation shall be in writing and submitted directly to the following address:

AMFASOFT CORPORATION
3155 Kearney Street, suite 140 Fremont, CA 94538

REFUND POLICY INFORMATION

The institution provides a pro rata refund of ALL funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. There will be no refund once a student completes 60 percent of the enrollment period in the entire course.

Registration Fees is a non-refundable item. Books, supplies and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student. If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee and other fees. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Student receiving grants from government agencies: WIA

If the student has received grants for the above agencies the student must contact their respective counselor or case manager for refund details. However, in case of a refund, calculated funds will be transferred back to respective government agency.

Distance learning enrollment agreement:

Amfasoft Corporation offers distance education programs.

An institution offering a distance education program where instruction is not offered in real time shall transmit the first lesson and any materials to any student within seven days after the institution accepts the student for admission.

3155 Kearney Street, suite 140, Fremont, CA 94538| 510-770-6748 | www.amfasoft.com

Right to Cancel: CCR 71716 (a), (b), (c)

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of the materials.

1. An institution shall transmit all of the lessons and other materials to the student if the students:

a. has fully paid for the educational program; and

b. after having received the first lessons and initial materials, request in writing that all the material be sent.

2. If an institution transmits the balance of the material as the student requests, the institution shall remain obligated to provide the other educational services it agreed to provide, such as responses to student inquires, students and faculty interaction, and comment on lessons submitted by the student, but shall not be obligated to pay any refund after all of the lessons and material are transmitted.

"Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

• "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

• "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

• "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

• "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

• "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

• "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. • "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

• "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

• "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

• "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

• "First Available Exam Date" is the date for the first available exam after a student completed a program.

• "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

• "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

• "Salary" is as reported by graduate or graduate's employer.

• "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information

STUDENT'S RIGHT TO CANCEL

CANCELLATION & REFUND POLICY

The student has the right to cancel this enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.
The notice of cancellation shall be in writing and submitted directly to the following address:

AMFASOFT CORPORATION
3155 Kearney Street, suite 140 Fremont, CA 94538

REFUND POLICY INFORMATION

The institution provides a pro rata refund of ALL funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. There will be no refund once a student completes 60 percent of the enrollment period in the entire course.

Registration Fees is a non-refundable item. Books, supplies and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student. If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee and other fees. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Student receiving grants from government agencies: WIA

If the student has received grants for the above agencies the student must contact their respective counselor or case manager for refund details. However, in case of a refund, calculated funds will be transferred back to respective government agency.

Distance learning enrollment agreement:

Amfasoft Corporation offers distance education programs.

An institution offering a distance education program where instruction is not offered in real time shall transmit the first lesson and any materials to any student within seven days after the institution accepts the student for admission.

3155 Kearney Street, suite 140, Fremont, CA 94538| 510-770-6748 | www.amfasoft.com

Right to Cancel: CCR 71716 (a), (b), (c)

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of the materials.

1. An institution shall transmit all of the lessons and other materials to the student if the students:

a. has fully paid for the educational program; and

b. after having received the first lessons and initial materials, request in writing that all the material be sent.

2. If an institution transmits the balance of the material as the student requests, the institution shall remain obligated to provide the other educational services it agreed to provide, such as responses to student inquires, students and faculty interaction, and comment on lessons submitted by the student, but shall not be obligated to pay any refund after all of the lessons and material are transmitted.

Definitions

"Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

• "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

• "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

• "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

• "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

• "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

• "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. • "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

• "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

• "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

• "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

• "First Available Exam Date" is the date for the first available exam after a student completed a program.

• "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

• "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

• "Salary" is as reported by graduate or graduate's employer.

• "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information

STUDENT'S RIGHT TO CANCEL

CANCELLATION & REFUND POLICY

The student has the right to cancel this enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.
The notice of cancellation shall be in writing and submitted directly to the following address:

AMFASOFT CORPORATION
3155 Kearney Street, suite 140 Fremont, CA 94538

REFUND POLICY INFORMATION

The institution provides a pro rata refund of ALL funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. There will be no refund once a student completes 60 percent of the enrollment period in the entire course.

Registration Fees is a non-refundable item. Books, supplies and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student. If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee and other fees. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Student receiving grants from government agencies: WIA

If the student has received grants for the above agencies the student must contact their respective counselor or case manager for refund details. However, in case of a refund, calculated funds will be transferred back to respective government agency.

Distance learning enrollment agreement:

Amfasoft Corporation offers distance education programs.

An institution offering a distance education program where instruction is not offered in real time shall transmit the first lesson and any materials to any student within seven days after the institution accepts the student for admission.

3155 Kearney Street, suite 140, Fremont, CA 94538| 510-770-6748 | www.amfasoft.com

Right to Cancel: CCR 71716 (a), (b), (c)

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of the materials.

1. An institution shall transmit all of the lessons and other materials to the student if the students:

a. has fully paid for the educational program; and

b. after having received the first lessons and initial materials, request in writing that all the material be sent.

2. If an institution transmits the balance of the material as the student requests, the institution shall remain obligated to provide the other educational services it agreed to provide, such as responses to student inquires, students and faculty interaction, and comment on lessons submitted by the student, but shall not be obligated to pay any refund after all of the lessons and material are transmitted.

Definitions

"Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

• "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

• "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

• "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

• "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

• "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

• "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. • "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

• "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

• "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

• "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

• "First Available Exam Date" is the date for the first available exam after a student completed a program.

• "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

• "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

• "Salary" is as reported by graduate or graduate's employer.

• "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information

STUDENT'S RIGHT TO CANCEL

CANCELLATION & REFUND POLICY

The student has the right to cancel this enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.
The notice of cancellation shall be in writing and submitted directly to the following address:

AMFASOFT CORPORATION
3155 Kearney Street, suite 140 Fremont, CA 94538

REFUND POLICY INFORMATION

The institution provides a pro rata refund of ALL funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. There will be no refund once a student completes 60 percent of the enrollment period in the entire course.

Registration Fees is a non-refundable item. Books, supplies and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student. If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee and other fees. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Student receiving grants from government agencies: WIA

If the student has received grants for the above agencies the student must contact their respective counselor or case manager for refund details. However, in case of a refund, calculated funds will be transferred back to respective government agency.

Distance learning enrollment agreement:

Amfasoft Corporation offers distance education programs.

An institution offering a distance education program where instruction is not offered in real time shall transmit the first lesson and any materials to any student within seven days after the institution accepts the student for admission.

Right to Cancel: CCR 71716 (a), (b), (c)

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of the materials.

1. An institution shall transmit all of the lessons and other materials to the student if the students:

a. has fully paid for the educational program; and

b. after having received the first lessons and initial materials, request in writing that all the material be sent.

2. If an institution transmits the balance of the material as the student requests, the institution shall remain obligated to provide the other educational services it agreed to provide, such as responses to student inquires, students and faculty interaction, and comment on lessons submitted by the student, but shall not be obligated to pay any refund after all of the lessons and material are transmitted.

• "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

• "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

• "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

• "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. • "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

• "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

• "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

• "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

• "First Available Exam Date" is the date for the first available exam after a student completed a program.

• "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

• "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

• "Salary" is as reported by graduate or graduate's employer.

• "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information

STUDENT'S RIGHT TO CANCEL

CANCELLATION & REFUND POLICY

The student has the right to cancel this enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.
The notice of cancellation shall be in writing and submitted directly to the following address:

AMFASOFT CORPORATION
3155 Kearney Street, suite 140 Fremont, CA 94538

REFUND POLICY INFORMATION

The institution provides a pro rata refund of ALL funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. There will be no refund once a student completes 60 percent of the enrollment period in the entire course.

Registration Fees is a non-refundable item. Books, supplies and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student. If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee and other fees. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Student receiving grants from government agencies: WIA

If the student has received grants for the above agencies the student must contact their respective counselor or case manager for refund details. However, in case of a refund, calculated funds will be transferred back to respective government agency.

Distance learning enrollment agreement:

Amfasoft Corporation offers distance education programs.

An institution offering a distance education program where instruction is not offered in real time shall transmit the first lesson and any materials to any student within seven days after the institution accepts the student for admission.

3155 Kearney Street, suite 140, Fremont, CA 94538| 510-770-6748 | www.amfasoft.com

Right to Cancel: CCR 71716 (a), (b), (c)

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of the materials.

1. An institution shall transmit all of the lessons and other materials to the student if the students:

a. has fully paid for the educational program; and

b. after having received the first lessons and initial materials, request in writing that all the material be sent.

2. If an institution transmits the balance of the material as the student requests, the institution shall remain obligated to provide the other educational services it agreed to provide, such as responses to student inquires, students and faculty interaction, and comment on lessons submitted by the student, but shall not be obligated to pay any refund after all of the lessons and material are transmitted.

Distance learning enrollment agreement:

Amfasoft Corporation offers distance education programs.

An institution offering a distance education program where instruction is not offered in real time shall transmit the first lesson and any materials to any student within seven days after the institution accepts the student for admission.

Right to Cancel: CCR 71716 (a), (b), (c)

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of the materials.

1. An institution shall transmit all of the lessons and other materials to the student if the students:

a. has fully paid for the educational program; and

b. after having received the first lessons and initial materials, request in writing that all the material be sent.

2. If an institution transmits the balance of the material as the student requests, the institution shall remain obligated to provide the other educational services it agreed to provide, such as responses to student inquires, students and faculty interaction, and comment on lessons submitted by the student, but shall not be obligated to pay any refund after all of the lessons and material are transmitted.

Definitions

"Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

• "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

• "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

• "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

• "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

• "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

• "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. • "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

• "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

• "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

• "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

• "First Available Exam Date" is the date for the first available exam after a student completed a program.

• "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

• "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

• "Salary" is as reported by graduate or graduate's employer.

• "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information

STUDENT'S RIGHT TO CANCEL

CANCELLATION & REFUND POLICY

The student has the right to cancel this enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.
The notice of cancellation shall be in writing and submitted directly to the following address:

AMFASOFT CORPORATION
3155 Kearney Street, suite 140 Fremont, CA 94538

REFUND POLICY INFORMATION

The institution provides a pro rata refund of ALL funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. There will be no refund once a student completes 60 percent of the enrollment period in the entire course.

Registration Fees is a non-refundable item. Books, supplies and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student. If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee and other fees. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Student receiving grants from government agencies: WIA

If the student has received grants for the above agencies the student must contact their respective counselor or case manager for refund details. However, in case of a refund, calculated funds will be transferred back to respective government agency.

Definitions

"Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

• "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

• "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

• "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

• "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

• "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

• "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. • "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

• "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

• "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

• "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

• "First Available Exam Date" is the date for the first available exam after a student completed a program.

• "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

• "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

• "Salary" is as reported by graduate or graduate's employer.

• "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information

STUDENT'S RIGHT TO CANCEL

CANCELLATION & REFUND POLICY

The student has the right to cancel this enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.
The notice of cancellation shall be in writing and submitted directly to the following address:

AMFASOFT CORPORATION
3155 Kearney Street, suite 140 Fremont, CA 94538

REFUND POLICY INFORMATION

The institution provides a pro rata refund of ALL funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. There will be no refund once a student completes 60 percent of the enrollment period in the entire course.

Registration Fees is a non-refundable item. Books, supplies and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student. If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee and other fees. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Student receiving grants from government agencies: WIA

If the student has received grants for the above agencies the student must contact their respective counselor or case manager for refund details. However, in case of a refund, calculated funds will be transferred back to respective government agency.

Distance learning enrollment agreement:

Amfasoft Corporation offers distance education programs.

An institution offering a distance education program where instruction is not offered in real time shall transmit the first lesson and any materials to any student within seven days after the institution accepts the student for admission.

3155 Kearney Street, suite 140, Fremont, CA 94538| 510-770-6748 | www.amfasoft.com

Right to Cancel: CCR 71716 (a), (b), (c)

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of the materials.

1. An institution shall transmit all of the lessons and other materials to the student if the students:

a. has fully paid for the educational program; and

b. after having received the first lessons and initial materials, request in writing that all the material be sent.

2. If an institution transmits the balance of the material as the student requests, the institution shall remain obligated to provide the other educational services it agreed to provide, such as responses to student inquires, students and faculty interaction, and comment on lessons submitted by the student, but shall not be obligated to pay any refund after all of the lessons and material are transmitted.

Definitions

"Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

• "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

• "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

• "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

• "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

• "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

• "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. • "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

• "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

• "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

• "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

• "First Available Exam Date" is the date for the first available exam after a student completed a program.

• "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

• "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

• "Salary" is as reported by graduate or graduate's employer.

• "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information

CANCELLATION & REFUND POLICY

The student has the right to cancel this enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.
The notice of cancellation shall be in writing and submitted directly to the following address:

AMFASOFT CORPORATION
3155 Kearney Street, suite 140 Fremont, CA 94538

REFUND POLICY INFORMATION

The institution provides a pro rata refund of ALL funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. There will be no refund once a student completes 60 percent of the enrollment period in the entire course.

Registration Fees is a non-refundable item. Books, supplies and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student. If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee and other fees. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Student receiving grants from government agencies: WIA

If the student has received grants for the above agencies the student must contact their respective counselor or case manager for refund details. However, in case of a refund, calculated funds will be transferred back to respective government agency.

Distance learning enrollment agreement:

Amfasoft Corporation offers distance education programs.

An institution offering a distance education program where instruction is not offered in real time shall transmit the first lesson and any materials to any student within seven days after the institution accepts the student for admission.

Right to Cancel: CCR 71716 (a), (b), (c)

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of the materials.

1. An institution shall transmit all of the lessons and other materials to the student if the students:

a. has fully paid for the educational program; and

b. after having received the first lessons and initial materials, request in writing that all the material be sent.

2. If an institution transmits the balance of the material as the student requests, the institution shall remain obligated to provide the other educational services it agreed to provide, such as responses to student inquires, students and faculty interaction, and comment on lessons submitted by the student, but shall not be obligated to pay any refund after all of the lessons and material are transmitted.

STUDENT'S RIGHT TO CANCEL

CANCELLATION & REFUND POLICY

The student has the right to cancel this enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.
The notice of cancellation shall be in writing and submitted directly to the following address:

AMFASOFT CORPORATION
3155 Kearney Street, suite 140 Fremont, CA 94538

REFUND POLICY INFORMATION

The institution provides a pro rata refund of ALL funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. There will be no refund once a student completes 60 percent of the enrollment period in the entire course.

Registration Fees is a non-refundable item. Books, supplies and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student. If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee and other fees. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Student receiving grants from government agencies: WIA

If the student has received grants for the above agencies the student must contact their respective counselor or case manager for refund details. However, in case of a refund, calculated funds will be transferred back to respective government agency.

Distance learning enrollment agreement:

Amfasoft Corporation offers distance education programs.

An institution offering a distance education program where instruction is not offered in real time shall transmit the first lesson and any materials to any student within seven days after the institution accepts the student for admission.

Right to Cancel: CCR 71716 (a), (b), (c)

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of the materials.

1. An institution shall transmit all of the lessons and other materials to the student if the students:

a. has fully paid for the educational program; and

b. after having received the first lessons and initial materials, request in writing that all the material be sent.

2. If an institution transmits the balance of the material as the student requests, the institution shall remain obligated to provide the other educational services it agreed to provide, such as responses to student inquires, students and faculty interaction, and comment on lessons submitted by the student, but shall not be obligated to pay any refund after all of the lessons and material are transmitted.

Definitions

"Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

• "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

• "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

• "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

• "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

• "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

• "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. • "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

• "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

• "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

• "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

• "First Available Exam Date" is the date for the first available exam after a student completed a program.

• "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

• "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

• "Salary" is as reported by graduate or graduate's employer.

• "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information

Definitions

"Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

• "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

• "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

• "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

• "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

• "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

• "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. • "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

• "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

• "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

• "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

• "First Available Exam Date" is the date for the first available exam after a student completed a program.

• "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

• "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

• "Salary" is as reported by graduate or graduate's employer.

• "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information

STUDENT'S RIGHT TO CANCEL

CANCELLATION & REFUND POLICY

The student has the right to cancel this enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.
The notice of cancellation shall be in writing and submitted directly to the following address:

AMFASOFT CORPORATION
3155 Kearney Street, suite 140 Fremont, CA 94538

REFUND POLICY INFORMATION

The institution provides a pro rata refund of ALL funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. There will be no refund once a student completes 60 percent of the enrollment period in the entire course.

Registration Fees is a non-refundable item. Books, supplies and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student. If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee and other fees. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Student receiving grants from government agencies: WIA

If the student has received grants for the above agencies the student must contact their respective counselor or case manager for refund details. However, in case of a refund, calculated funds will be transferred back to respective government agency.

Distance learning enrollment agreement:

Amfasoft Corporation offers distance education programs.

An institution offering a distance education program where instruction is not offered in real time shall transmit the first lesson and any materials to any student within seven days after the institution accepts the student for admission.

Right to Cancel: CCR 71716 (a), (b), (c)

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of the materials.

1. An institution shall transmit all of the lessons and other materials to the student if the students:

a. has fully paid for the educational program; and

b. after having received the first lessons and initial materials, request in writing that all the material be sent.

2. If an institution transmits the balance of the material as the student requests, the institution shall remain obligated to provide the other educational services it agreed to provide, such as responses to student inquires, students and faculty interaction, and comment on lessons submitted by the student, but shall not be obligated to pay any refund after all of the lessons and material are transmitted.

Definitions

"Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

• "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

• "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

• "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

• "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).

• "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

• "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment. • "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

• "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

• "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

• "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

• "First Available Exam Date" is the date for the first available exam after a student completed a program.

• "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

• "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

• "Salary" is as reported by graduate or graduate's employer.

• "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information

STUDENT'S RIGHT TO CANCEL

CANCELLATION & REFUND POLICY

The student has the right to cancel this enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.
The notice of cancellation shall be in writing and submitted directly to the following address:

AMFASOFT CORPORATION
3155 Kearney Street, suite 140 Fremont, CA 94538

REFUND POLICY INFORMATION

The institution provides a pro rata refund of ALL funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. There will be no refund once a student completes 60 percent of the enrollment period in the entire course.

Registration Fees is a non-refundable item. Books, supplies and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student. If you cancel the agreement, the school will refund any money that you paid, less any deduction for registration fee and other fees. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Student receiving grants from government agencies: WIA

If the student has received grants for the above agencies the student must contact their respective counselor or case manager for refund details. However, in case of a refund, calculated funds will be transferred back to respective government agency.

Distance learning enrollment agreement:

Amfasoft Corporation offers distance education programs.

An institution offering a distance education program where instruction is not offered in real time shall transmit the first lesson and any materials to any student within seven days after the institution accepts the student for admission.

Right to Cancel: CCR 71716 (a), (b), (c)

The student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received. Cancellation is effective on the date written notice cancellation is sent. The institution shall make the refund pursuant to section 71750. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of the materials.

1. An institution shall transmit all of the lessons and other materials to the student if the students:

a. has fully paid for the educational program; and

b. after having received the first lessons and initial materials, request in writing that all the material be sent.

2. If an institution transmits the balance of the material as the student requests, the institution shall remain obligated to provide the other educational services it agreed to provide, such as responses to student inquires, students and faculty interaction, and comment on lessons submitted by the student, but shall not be obligated to pay any refund after all of the lessons and material are transmitted.
